"Quality and Excellence.....Learning Together"

7/11/17

Dear parents and carers,

Thank you for the wonderful support we received for our school musical. Staff and students put huge amounts of energy into practising and perfecting their performances and were very proud of their achievements. We are so glad that you loved it!

We are working hard to give our gardens and school environment a bit of a face lift. Our kids deserve a great looking school and are enjoying the opportunity to get in and help out. We still have lots to do, but we have made a great start. If you would like to join us you are very welcome!

We have 'tweaked' our School Leadership program for 2018. We will still elect two captains and our sports captains at the end of the year but have introduced a new system for becoming a prefect. Our new system allows all year six students who are consistently striving to be role models by displaying our values of safety, respect and learning to become prefects. Our current Year 5's have worked with us to develop a fair and reasonable system. It's looking great.

So far I've had 12 parents join me on Friday mornings in the library to share ideas for our 2018-2020 School Plan and future directions. We really value your input. Unfortunately I have School Finance training this Friday so won't be available. If you would like to share your thoughts please ring and I will organise a time to meet with you.

I hope you are able to join us for our Grandparents celebrations next Friday. We will look forward to seeing you.

Kind regards

Kim Witt

Positive talk

P & C News

Well done to the students on their musical performance. To show the students how much we appreciate all their hard work the P&C gave each student an ice block on Monday on behalf of the P & C community. We hope the students enjoyed their treat.

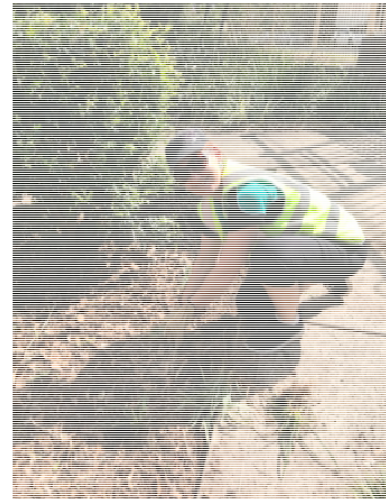

The disco is on next week on Wednesday the 8th November. All glo products will be reduced to \$2. Drinks and lollies will be available to purchase on the night. Notes were sent out with the students last week. Spare notes are available from the office. If you are able to help on the night please let Michelle in the canteen know or send us a message on the Facebook page.

In response to the parent feedback regarding our sports shirts we are currently looking into a new supplier. More information to follow.

TPS Garden Club

Our beautiful gardens are receiving a much needed makeover here at TPS.

Lead by Ms Leah Richens and Mrs Louise Furnance, our students have been enjoying their time in the garden removing weeds, planting new plants and mulching the gardens near the quiet area.

Many thanks for supporting our garden club

TPS Aerobics

The Aerobics team and school community would like to thank Nicole Williams for pounding the pavement in sourcing much needed sponsorship for our Aerobics team in preparation for the 2018 Aerobics Competition. To our delight we are very appreciative to the following businesses for their support. We are very fortunate to belong in a wonderful supportive community.

If you know of a business who would like some information on how to support the Toronto Aerobics team, please contact Mrs Lavercombe
