Dear Parents and Carers,

We have had a really busy and rewarding term. Thank you to all of our community who continue to show us their support. The attendance of family and friends at our showcases, book parades and three way conferences was amazing. We look forward to seeing everyone this Friday for our Week 10 Showcase.

Stage 3 had a fantastic time last week at camp. Students displayed excellent behaviour during the three days and participated in a number of activities including high ropes, archery, canoeing/kayaking and the giant swing. Students were also put into duty groups where they prepared and served breakfast. The kids enjoyed the responsibility and did a fantastic job.

Our Infant students had a fun and educational excursion to the wetlands last Monday. Insects were investigated underneath microscopes and bird watching was a highlight.

This week we have our PBL reward day. This is to celebrate positive behaviour displayed by students at school. Students who have reached level 30 on our 'ladder of success' have a free excursion to Speers Point Park. We also have students getting their level 10 and 20 rewards at school that same day. On Thursday we are all going to Glenrock Lagoon as part of our NAIDOC celebrations. Students will build their knowledge and understanding of Aboriginal history, culture and perspectives during this wonder day.

I hope everyone has a wonderful and safe holiday.

Kind Regards

Michael Murphy

*If you want to relax, watch the clouds pass by if you're laying on the grass, or sit in front of the creek; just doing nothing and having those still moments is what really rejuvenates the body.*

# Please vote and return to Canteen

Dear Parents & Carers

Due to the poor quality of the new sport shirt released in January 2018, the supplier has agreed to replace our existing sport shirts. We are very grateful to the supplier for helping us to make our uniform fantastic.

## What this means for our sport polo shirt

- We all get to vote for our favourite new design!
- Once the new design arrives, anyone that has purchased the sport shirt released in January 2018 will need to bring it back to the uniform shop to be replaced by the new design shirt free of charge
- If there is a price difference in the parents/carers favour, a voucher that can be used at the uniform shop, will be issued to the value of the price difference.
- Parents will not be charged extra to exchange the shirts if the shirt turns out to be slightly higher in cost
- Once we received the replacement shirts, the shirt released in January 2018 will no longer be a part of our official uniform

Please help us to choose the schools favourite design choice by filling in the attached voting form and returning it to the office or canteen.

Kind regards

P & C Committee
